## Our Evolution in Coding and Marking Business

#### India – Standalone Business

- The Coding and Marking Industry in India today stands at approx. Rs 2000 -2200 crore.
- The industry is dominated in India by 4 key players including Control Print Ltd (the only Indian company) – these 4 players contribute to nearly 90-95% of the markets size
- Control Print today has an overall market share of 19-20% of the organized players.
- The overall market is expected to grow at 1.5x to GDP
- Control Print has continued to grow at a faster pace than the overall industry and today stands at Rs 385 crore in the Indian Standalone entity.

Steps being taken for future longterm growth to go beyond the limitations of the domestic market in our core traditional business and grow the reach of our coding and marking solution.

#### The International Business – Long Term Growth Strategy

- Markprint and Codeology bring to the table an important but complimentary diversification to our existing core business in coding and marking.
- While on one hand we wish to scale up or offerings and business in international markets, on the other hand we aim to manufacture and sell these products solutions in India as well.
- Our initial efforts have been met with success with key orders from key customers
- Further we have setup a subsidiary in the Middle East to target the coding and marking opportunities in the region from our India business as well from Markprint and Codeology.
- This will help us outpace and grow beyond the standard growth rated in our traditional business
