INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

TO THE MEMBERS OF LIBERTY CHEMICALS PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Liberty Chemicals Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the 'Act'), in the manner so required and give a true and fair view in conformity with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, total comprehensive loss (comprising of loss and other comprehensive loss), the changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Engagement Letter

3rd April 2024

The Management

Liberty Chemicals Private Limited

C-106, Hind Saurashtra Industrial Estate,
Andheri Kurla Road, Marol Naka,
Andheri (East), Mumbai,
Maharashtra 400 059

Dear Sir,

1. This confirms our engagement covering the following services:

- Statutory audit of the financial statements as defined in section 2 (40) of the Companies Act, 2013 of **Liberty Chemicals Private Limited** for the financial year beginning from 1st April 2023 to ending on 31st March 2024.

Our audit will be conducted with the objective of expressing an opinion if the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required, and give a true and fair view in conformity with the applicable accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, its profit/loss, its changes of statement of equity and its cash flows for the year ended on that date.

Audit Responsibilities and Limitations

2. We will conduct our audit in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India (ICAI) and standards deemed to be prescribed by the Central Government in accordance with Section 143(10) of the Companies Act, 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

The terms of reference for our audit of internal financial controls over financial reporting carried out in conjunction with our audit of the Company's financial statements will be as stated in the separate engagement letter for conducting such audit and should be read in conjunction with this.

3. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.
4. Because of the inherent limitations of an audit, including the possibility of collusion or improper management override of controls, there is an unavoidable risk that material misstatements due to fraud or error may occur and not be detected, even though the audit is properly planned and performed in accordance with the SAs. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management's Responsibilities and Representations

5. Our audit will be conducted on the basis that the Management and those charged with governance acknowledge and understand that they have the responsibility:
 - a) For the preparation of financial statements that give a true and fair view in accordance with the applicable Financial Reporting Standards and other generally accepted accounting principles in India which includes:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Note -1 SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard) Rules, 2015 and other relevant provisions of the Act.

B. Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

C. Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated. The cost of an item of property, plant and equipment comprises its cost of purchase and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

D. Capital work in progress

Property, plant and equipment under construction are disclosed as capital work in progress.

E. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

F. Depreciation and Amortisation

Depreciation on fixed assets has been provided on Straight line method based on useful lives as specified by Schedule II of the Companies Act, 2013. Intangible Assets are amortized on Straight line basis over the estimated useful life.

G. Impairment of Assets:

A tangible or intangible asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of tangible or intangible assets are reviewed at each balance sheet date to determine indications of impairment, if any, of those assets. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss and the same is charged to profit and loss account. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

H. Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in Notes to Accounts. Contingent assets are neither recognised nor disclosed in financial statements.

I. Taxation:

Current Tax

Tax on income for the current period is determined on the basis of estimated taxable income and computed in accordance with the provisions of the relevant tax laws, outcome of past assessments / appeals and legal opinion sought by the Company.

Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

J. Earning per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. Earning considered in ascertaining the company's earnings per share is the net profit for the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
