Company Overview

Our 3 Pronged Long Term Growth Strategy

❑ Grow the reach of our coding and marking business in India and Globally

- Outpace the growth of the Industry in India on existing standalone business
- Grow the Markprint and Codeology businesses in the European region
- Grow the presence of products from our international businesses, into India – these products have now come to India and we have started selling them in India

❑ Increase the size and scale of our Track and Trace Business

- QRiousCodes, our track and trace solutions brand, offers comprehensive cloud-based solutions to enhance supply chain visibility and product authenticity.
- Leveraging innovative QR code technology, QRiousCodes, enables businesses to safeguard their products, streamline logistics, and build trust with consumers through transparent and traceable processes.

❑ Enter and increase our presence in the packaging business (Vshapes)

- Looking to capitalise on our innovative single use packaging technology through supplies of packaging equipments and associated material.

Our Evolution in Coding and Marking Business

India – Standalone Business

- The Coding and Marking Industry in India today stands at approx. Rs 2000 -2200 crore.
- The industry is dominated in India by 4 key players including Control Print Ltd (the only Indian company) – these 4 players contribute to nearly 90-95% of the markets size
- Control Print today has an overall market share of 19-20% of the organized players.
- The overall market is expected to grow at 1.5x to GDP
- Control Print has continued to grow at a faster pace than the overall industry and today stands at Rs 385 crore in the Indian Standalone entity.

Steps being taken for future long-term growth to go beyond the limitations of the domestic market in our core traditional business and grow the reach of our coding and marking solution.

The International Business – Long Term Growth Strategy

- Markprint and Codeology bring to the table an important but complimentary diversification to our existing core business in coding and marking.
- While on one hand we wish to scale up our offerings and business in international markets, on the other hand we aim to manufacture and sell these products solutions in India as well.
- Our initial efforts have been met with success with key orders from key customers
- Further we have setup a subsidiary in the Middle East to target the coding and marking opportunities in the region from our India business as well from Markprint and Codeology.
- This will help us outpace and grow beyond the standard growth rated in our traditional business
